

# EU-Japan GNSS Mission, March 2019

## The 4<sup>th</sup> EU-Japan Satellite Positioning Public-Private Roundtable

The Cabinet Office and the European Commission, in cooperation with the European GNSS Agency, will organise the 4<sup>th</sup> EU-Japan Satellite Positioning Public-Private Roundtable on 14<sup>th</sup> March 2019 in Tokyo, Japan. On this occasion, the EU-Japan GNSS Mission led by the European Commission will be composed by European industry, SMEs and start-ups and the Cabinet Office will host the delegation, arranging site visits and meetings with Japanese companies in the field of Automotive, Agriculture, Drones and other GNSS technologies: both EU and Japanese companies will explore potential business cooperation in the application of GNSS technologies. The latest programme is as follows and further details will be announced in due course.
